Rivermark Community Credit Union signs with ViClarity to help automate and simplify Branch Certifications, Risk Management, and Internal Audit

Naperville, IL January 27th, 2016– Financial Abatement Services Inc. (FASI), an affiliate and distributor of Lending Solutions Incorporated (LSI), is excited to announce that Oregon based Rivermark Community Credit Union has implemented ViClarity’s Process Management and ERM solution. The credit union will be using ViClarity’s web-based software in the areas of Branch Certifications, Internal Audit, and Risk Management Tracking.

ViClarity’s Enterprise Risk Management solution allows its clients to track and monitor performance and compliance across their organizations. The tool can be used to gather and verify performance/compliance data and enables managers to view performance in real time on a single user-friendly dashboard. The system tracks and enables the ongoing monitoring of key strategic, operational or compliance objectives/ metrics and effectively drives accountability at different levels of management within the organization. The software maintains a full audit trail of all activities for audit purposes and provides robust reporting.

Over 100 Credit Unions globally have adopted the ViClarity system to become more efficient. Sharon Pasero, Rivermark’s Senior Compliance Manager added to this point: “With ViClarity, we have been able to automate our monthly branch certifications, our required risk assessments, and our internal audit assignment tracking. As we enhance our knowledge of the system, we hope to find even more ways to use ViClarity to gain efficiencies.”

One of ViClarity’s differentiators is its ease of use and swift implementation. ViClarity can be implemented in less than two weeks and is completely customizable. Pasero added, “We are impressed with the flexibility and broad applicability of the system. It has proven to be very intuitive and the set-up support provided by ViClarity has been outstanding!”

John Ogie Sheehy, Founder & CEO of ViClarity Ltd. said, “Managing Risk and compliance in any financial institution should be an ongoing process and be integrated to the core business functions. In Rivermark we have introduced a comprehensive suite of solutions that simplify the process of tracking and measuring compliance standards across all Branches.”

FASI and ViClarity conduct regular system overviews for interested Credit Unions. If you are interested in seeing a free 30 minute consultative demo, you can sign-up at www.fasinate.com/demos or coordinate a time with FASI representative Luke Kolquist at lukekolquist@fasinate.com or 800-937-4249 ext. 3303.
